Report Highlights**Nov 28 Moon Opposite Venus** Secondary Progression (*Virgo-Pisces 4th-10th*)

*** Leave (Enter: Begin Date Exact: Begin Date Leave: 11/28/10)

Happiness depends on how you treat other people now, and how you are treated by them. This is especially true in romantic relationships. There are tensions to be resolved, opposing viewpoints and outlooks to be harmonized - differences in taste or social background may play a part in this. A better time to sell than to buy, generally speaking.

Dec 21 Moon Conjunct Jupiter Lunar Eclipse (*Gemini-Gemini 1st-1st*)

*** *Exact (Enter: 12/21/10 Exact: 12/21/10 Leave: 06/15/11)*

A test of faith is in the works now. It's easy to be gracious and optimistic when things are peachy keen, but you know you really have something when you can maintain these attitudes in less than optimal situations. Concentrating on goals and big ideas to the exclusion of practical details can set you up for a fall. Remember, luck is 1% inspiration and 99% perspiration.

Dec 21 Moon Conjunct Moon Lunar Eclipse (*Gemini-Gemini 1st-1st*)

*** *Exact (Enter: 12/21/10 Exact: 12/21/10 Leave: 06/15/11)*

Your physical vitality and psychological or spiritual goals are highly emphasized now and could well be in a weakened condition at one level or another, as if a support system you have relied on has been temporarily shut off. It's important to shore up weak foundations. This is not a propitious time for establishing new life directions.

Dec 21 Moon Trine Sun Lunar Eclipse (*Gemini-Aquarius 1st-10th*)

*** *Exact (Enter: 12/21/10 Exact: 12/21/10 Leave: 06/15/11)*

Getting in touch with your feelings and instincts is important now: finding a way to express and deal with experiences at this level is essential to your sense of wellbeing. Education and communication are the keys to dealing with these situations - learn, share, discuss!

Dec 27 Saturn Conjunct Pluto Transit (*Libra-Libra 5th-5th*)

**** *Exact (Enter: 12/11/10 Exact: 12/27/10 Leave: End Date)*

You will probably be reviewing a lot of very sensitive psychological material. Although you may not be able to notice any change, this is a chance to organize your thoughts and build new habits that will bring orderly change in the future.

Jan 04 Sun Square Pluto Solar Eclipse (*Capricorn-Libra 8th-5th*)

*** *Exact (Enter: 01/04/11 Exact: 01/04/11 Leave: 06/01/11)*

Seemingly small changes have a way of turning into something big for you now: you have the power to change your life by changing momentum, shifting gears. Adapting to changing circumstances is a must now, and the window of opportunity, although small, remains open for a short time. Fix what doesn't work; don't put it off. (This applies particularly to investments, home and family, and health).

Jan 18 Moon Conjunct Saturn Secondary Progression (*Scorpio-Scorpio 6th-6th*)

*** *Exact (Enter: Begin Date Exact: 01/18/11 Leave: 02/17/11)*

A safe, conservative, and responsible approach is your best tactic now. Plan for the worst, and nothing can catch you off-guard. Buckle down and apply yourself, and you'll make real progress - anything else likely leads to setbacks and frustration. Older people are apt to be a very big influence on you at this time. You tend to take a very serious outlook on life... perhaps for good reasons.

Jan 22 Jupiter Enter Aries Transit (*Aries 10th*)

***** *Exact (Enter: Begin Date Exact: 01/22/11 Leave: End Date)*

Faith in yourself and your future is emphasized as you begin this new cycle. A feeling that anything is possible leads to new ventures, a clean break from the past. At its best, this is a very positive and optimistic new cycle in your life, but at times, overconfidence can border on foolhardy bravery. Don't burn your bridges behind you!

Feb 11 Jupiter Enter Eleventh Transit (*Aries 11th*)

***** *Exact (Enter: Begin Date Exact: 02/11/11 Leave: End Date)*

Idealism gets brought down to earth now. Friends who share ideals band together, work

together, and find pleasure in making a difference - and the experience itself is worthwhile, apart from the achievements.

Feb 21 Neptune Opposite Pluto Transit (*Aquarius-Leo 9th-3rd*)

***** Exact (Enter: 01/25/11 Exact: 02/21/11 Leave: 03/20/11)

Your dreams and ideals may conspire to ignore and push aside the need in you for real inner growth and transformation. If you get too carried away or lost in the dream world, you can expect to be hauled back by some very personal inner confrontations.

Mar 11 Uranus Enter Aries Transit (*Aries 10th*)

***** Exact (Enter: Begin Date Exact: 03/11/11 Leave: End Date)

A clean break with the past in some respects is signaled by the cycle you have just begun. What YOU need, YOUR freedom and independence, shattering old molds: these are the things that energize you and take priority in your life. Uniqueness and originality set you apart.

Mar 25 Neptune Opposite Jupiter Transit (*Aquarius-Leo 9th-3rd*)

***** Exact (Enter: 02/25/11 Exact: 03/25/11 Leave: End Date)

It could be easy for high-sounding ideas and false ideals to mislead you into making career or vocational decisions that are wrong for you. Be careful that you don't involve yourself in some plan to misguide or deceive another.
